**“I have really gained a lot while here at Maryville. I appreciate everyone that welcomed me with open arms. I felt comfortable being here. I learned a lot and I have great confidence I can get back out there and succeed. I want to give thanks to everyone here and a special thanks to my counselor. She motivated me the most and gave me that extra push I needed.”**

**“I had been to other detoxes and treatment centers. I lost my place, my license, my car. I left school. Worst of all, I lost myself and my family’s respect. I’ve been clean for 18 months now. I feel happy again. I feel healthy. I’m thinking clearly. The relationship with my family is good now. I think I’ve come a long way and I’m grateful for Maryville. It’s the people; everybody really cares. When I didn’t have anything, Maryville is the place that wanted to help me.”**
